

# WHAT IS WORSHIP?

**How does it work? Why does it matter?**

## Does it change anything?

Rooted in real-life practice with accessible, non-technical text, this guide inspires *all* worshippers to think about how worship changes us.

PCCs, worship groups, small groups and ministry teams will find it a rich source of ideas – and an invaluable aid to get the whole church involved in transforming worship.

# WORSHIP CHANGES LIVES

## How it works, why it matters

Edited by Paul Bradshaw and Peter Moger

The attractive guide uses both words and images to stimulate discussion.

To help you and your church get the most out of the guide, we've put additional questions and study material at [www.transformingworship.org.uk](http://www.transformingworship.org.uk)
